Dear Harold;

Was very interested in your meeting with Sprague. It seems that you did not know which way he was going. I guess it will take a while for him to reveal his intentions and whether or not he can separate truth and Lane. I hope that he follows advice and knowledge. At least he spent a good deal of time with you and apparently heard you well.

Today I spoke with David Boxall at station KPFK here in L.A.. If I read your last letter correctly, you said that you had given him an interview by ~~phone~~ tape. He told me that he didn't recall having an interview with or from you and no one at the station knew of one. I tried to get a copy of the Daily Bruin student paper on Lanes speech at UCLA but could not find any reference to his talk. Excerpts of it were given on a local news station here, I heard a little of it. I will try to locate those at UCLA that arranged the talk and see if I can get a copy of it for you. I am confused by the Boxall thing. Maybe I misunderstood one of you. Could you clarify.

Am enclosing Penn Jone's latest newsletter.

Please give my best to Lil and Jim. Good luck in the court cases. Guess Levi really covered up the Ford perjury info. When you get this it will all be over in the election. Some choice.

Best always,

Paul
